

STAGE FLASH

Date: 02/6/12

Day: 2

Special Stage: SS4 Edrom 1 (11.64km)

1. Mark Donnelly / Dai Roberts (Renault Clio R3)

Made setup changes. Good but can still be better. I'm hitting the limiter in there.

2. Keith Cronin / Marshall Clarke (Citroen DS3 R3T)

A bit better than the first stage. It's still getting away with me over jumps. We'll see what we can do in service.

3. Jarkko Nikara / Petri Nikara (Citroen DS3 R3T)

Overshot and stalled on junction. Got away with me braking over jump.

4. Elfyn Evans / Dale Furniss (Ford Fiesta R2)

Going ok, still not brilliant [missing wing mirror]

5. Osian Pryce / Iestyn Williams (Citroen DS3 R3T)

That was s***. No confidence in braking.

6. Jonathan Greer / Gordon Noble (Citroen DS3 R3T)

That was ok. The gravel section was rough.

7. Peter Taylor / Andrew Roughead (Renault Clio R3T)

The bonnet came up on anything more than 4th gear. Better than the first stage.

8. Tom Cave / Craig Parry (Citroen DS3)

Tricky, lots of gravel in places. Hard to know when to push

9. Jussi Kumpumaki / Jani Salo (Ford Fiesta R2)

Wrong tyres on rear. They are inters and have overheated. Not fun.

10. Jukka Korhonen / Mikael Korhonen (Skoda Fabia R2)

A few hard brakings and slippy in places. Made car harder after the first stage which seemed to make things better.

12. Callum Black / Paul Wakely (Citroen DS3 R3T)

Good fun, something not quite right at the rear though.

14. Matthew Cathcart / James Morgan (Ford Fiesta R2)

A bit of a moment in there, slid wide onto some gravel but it's a good crack.

17. Gethin Jones / Kevin Devine (Ford Fiesta ST)

Cold tyres means rear wheel drive type action!

18. Ruary MacLeod / Drew Sturrock (Ford Fiesta R2)

Notes are not too brilliant. I've not got the hang of the changes in road width.
