Felt better, no hesitation with engine so hopefully fixed.

Bias bar has broken on the pedal so no front brakes

We spun and hit a bank, lost over a minute.

Better, a few hairy moments though.

Good, a few suspension changes and it feels better.

40 seconds better than last time, so happy with that!

It feels much better after the changes. Pushing as much as we can
9. Jussi Kumpumaki / Jani Salo (Ford Fiesta R2)
We missed three junctions on the first run, didn't miss any that time. We're much happier.
10. Jukka Korhonen / Mikael Korhonen (Skoda Fabia R2)
Quicker than first run, so happy. We have cut the tyres and it feels more confident.

Much more grip, I've got slicks on the back now.

17. Gethin Jones / Kevin Devine (Ford Fiesta ST)

The gear linkage has broken and we're stuck in third.

Much the same as the first run really

The cars temperature problem seems to have sorted itself out.

The power steering is fixed, we put a lid on it! Car feels good.

We enjoyed that, didn't visit any houses this time!
