

SERVICE FLASH

Date: 02/6/12
Day: 2
Service: ServiceA.

2. Keith Cronin / Marshall Clarke (Citroen DS3 R3T)

OK so far. Can't really say what my strategy will be today as my team mate is stood next to me :-)

3. Jarkko Nikara / Petri Nikara (Citroen DS3 R3T)

Same as Keith :-)

4. Elfyn Evans / Phil Pugh (Ford Fiesta R2)

Just did best we could last night and will continue to do that today. Realistically, we know it's going to be difficult being in an R2 against the R3s, but we can but try and see how it goes.

5. Osian Pryce / Iestyn Williams (Citroen DS3 R3T)

Last night went well, so will push this morning

6. Jonathan Greer / Gordon Noble (Citroen DS3 R3T)

We'll be having a go this morning, although we're straight into Abbey St. Bathans which is going to be a challenge!

8. Tom Cave / Craig Parry (Citroen DS3)

We're going to push this morning and see where we are by the time we get to lunch time service

10. Jukka Korhonen / Mikael Korhonen (Skoda Fabia R2)

Advice and choice of tyres was perfect last night - that's why we're leading R2 on my first ever tarmac event. Thanks Pirelli!

11. Desi Henry / Niall Burns (Citroen DS3 R3T)

Should have done better last night. An overshoot and missfire messed things up. Hopefully today will be better.

12. Callum Black / Paul Wakely (Citroen DS3 R3T)

So far so good. Hope we can keep it up today, but we still have a lot to learn with the new car.

19. Arron Newby / Martin Taylor (Skoda Fabia R2)

Seventh overall and second in R2 is a great start. But realistically, seeing who's behind me, it's going to be difficult to hold on to the position this morning.

22. Alex Pappotas / Chris Davies (Ford Fiesta R2)

I went out on Abbey St Bathans last year and we're straight into it this morning, so no heroics

23. Nick Allen / Andy Bull (Renault Twingo)

We had problems with overheating last night and that meant the engine wouldn't start. So fingers crossed that it stays cool today.

25. Henry Felix Catchpole / Christopher Brooks (Renault Twingo R1)

I'm really looking forward to today, but I must admit I'm a bit nervous.
