

## STAGE FLASH

**Date:** 18/8/12  
**Day:** 2  
**Special Stage:** SS10 Slieve Gallion (15.42km)

R1. Keith Cronin (IRL) / Marshall Clarke (GBR) (Citroen DS3 R3T)

I was on the wrong tyres and they had gone off by half way through. I was expecting it to be damp and it wasn't. I'm happy but it was tricky.

R4. Elfyn Evans (GBR) / Philip Pugh (GBR) (Ford Fiesta R2)

It has gone well. It's dried up but it's still tricky. There will be some interesting tyre choices this afternoon.

R9. Jonathan Greer (GBR) / Gordon Noble (GBR) (Citroen DS3 R3)

I had a big moment in the last stage. I can't understand why the back of the car doesn't have any grip. It was perfect last night and we have not changed anything. It's making it very difficult. It may be the rear tyres going off.

R10. Osian Pryce (GBR) / Iestyn Williams (GBR) (Citroen DS3 R3)

I was on the wrong tyres, I had inters on. I had no confidence in the car, it was either come out in a mess or come out slowly.

R2. Tom Cave (GBR) / Craig Parry (GBR) (Citroen DS3 R3)

I pushed too hard early in the stage and lost the brakes. The pedal was on the floor for the last couple of miles. I could have been a lot quicker.

R6. Guy Wilks (GBR) / David Moynihan (IRL) (Renault Twingo R2 Evo)

We switched to slicks on the front for this stage, which was perfect. It's great fun, a few moments due to car setup but great fun.

R12. Jukka Korhonen (FIN) / Mikael Korhonen (FIN) (Skoda Fabia R2)

It's so, so difficult. The bumps, the wet, everything is making it very difficult.

R16. Callum Black (GBR) / Paul Wakely (GBR) (Citroen DS3 R3T)

I got a puncture in there. Awesome stage but the car was on inters and the car was moving all over the place from about half way through.

R5. Alastair Fisher (GBR) / Daniel Barritt (GBR) (Ford Fiesta R2)

Very fast, committed over the crests. It all keeps you on your toes. It's important to get into the flow on that stage, it's really fast. A lot of crests.
