

STAGE FLASH

Date: 18/8/12
Day: 3
Special Stage: SS12 Tardree (6.4km)

R1. Keith Cronin (IRL) / Marshall Clarke (GBR) (Citroen DS3 R3T)
I pushed more on these two stages as they were drier. But there are still two tough stages to come

R4. Elfyn Evans (GBR) / Philip Pugh (GBR) (Ford Fiesta R2)
It was ok, not a stage that suited this car. We know we're losing out to the R3s but we'll keep at it.

R9. Jonathan Greer (GBR) / Gordon Noble (GBR) (Citroen DS3 R3)
There was resurfaced tarmac leaving lots of gravel on that stage. We're still on a wet setup from this morning which is a bit soft on dry tarmac. We'll change that in service.

R10. Osian Pryce (GBR) / Iestyn Williams (GBR) (Citroen DS3 R3)
That was a good stage, but lots of gravel. We managed to pull a bit of time out of Johnny but watching that gap.

R2. Tom Cave (GBR) / Craig Parry (GBR) (Citroen DS3 R3)
The changed setup has changed from the last service but I still found that stage very abrasive.

R3. Mark Donnelly (GBR) / Dai Roberts (GBR) (Renault Clio R3)
The feel is getting better, just far too late.

R16. Callum Black (GBR) / Paul Wakely (GBR) (Citroen DS3 R3T)
It's so much better now, I'm really enjoying it. I'd like to give the last two a real go, but if I bin it, I'm in a lot of trouble!
